

WAIN. AGRICULTURAL SOCIETY STAGE SUCCESSFUL PARTY

**AFFAIR PROVES MOST POPULAR
GET-TOGETHER EVENT
OF SEASON**

Did those directors and officers of the Wainwright Agricultural Society work for success of the annual card party and dance held last week? DID THEY? They SURE did; and how! And the way every one of them proved himself a man-of-all-work when it came to lending a hand was truly remarkable.

And the ladies, too, were not one whit behind in seeing to it that wherever they could be of assistance they were right on the job. So that altogether it proved to be possibly the most delightful party that this organization has staged for very many years—and this despite the fact that the shadow of Old Man D. Presson still hangs around in the sunshine.

The big theatre was filled almost to suffocation with the merry throng, and yet there were those in attendance who were not able to find a table to play cards, and these spent the time in real old-time visitin' among themselves. It was a real example of "Where town and country meet," and meet they surely did.

Steve Bowerman was at the helm on the card playing end of the evening's amusements, and a right good job he made of his office, too, and at the close it was found that those who would take home the splendid fan turkeys, geese, chickens, etc., which had been hung up as prize awards were Ladies: Mrs. Colquhoun (1), Miss I. Reich (2), Miss A. Carnell (3); gentes: V. Coffield (1), E. Grogan (2), E. Lachance (3). The special prizes went to Miss D. Forster and P. Cummings, while the prize drawn for at the party was won by Mrs. J. W. Stuart. Congratulations to all of them.

At the close of play a bountiful supper was done full justice to by all present, after which the hall was cleared for the usual annual dance in

Wonderful Story of East-Side City Life

**DEPICTED IN FEATURE FILM
AT THEATRE BALANCE
OF THIS WEEK**

Possibly one of the most touching dramas of life among the poor of a big city is featured in the wonderful talking picture "Sidewalks of New York" which comes to the Elite theatre for Thursday, Fri. and Sat. this week.

A synopsis of the story shows that Homer Van Tine Harmon, son of a millionaire, is riding with his valet, Poggie. They pass some tenements he owns. A crowd of small boys fills the streets playing baseball and a fight starts. Homer interferes and gets well rough-housed. Also Marjorie a pretty girl hawls him out—before he falls in love with her.

She has a small brother, Clipper, who is very tough. For Marjorie's sake Homer resolves to reform the lad. He starts a gymnasium in the tenements and takes charge as a sort of "Big Brother." To make the kids respect him, he frames a prize fight, bribing his opponent to let him win. The opponent doublecrosses him, but by means of a billiard ball in his glove, Homer finally conquers.

This earns him the enmity of Butch, a gangster, who has been dressing Clipper as a girl and using him as a "Blonde Bandit" to rob gas stations. Butch and Clipper think Homer has learned their secret and at an amateur show he is giving in the gymnasium they plot to kill him.

But Clipper can't go through with it. Homer learns the plot, and masquerades as Clipper to get away. Butch and his gang follow, and are about to demolish the luckless Homer when Clipper and his gang arouse the police and stage a big rescue.

Clipper reforms. Homer is married. All ends well.

Dave Davison visited his sister, Mrs. Stuart, in Edmonton over the week-end, that lady being on the sick list.

which all were assured of another real good time till daylight.

For this part of the entertainment an augmented 5-piece orchestra, consisting of Mrs. E. Ganderton, Miss B. Mackay, and Messrs. H. Bruner, L. Goodale, G. Clark, V. Ganderton and H. Leroux, under the direction of Mr. Alec. Adams, kept their tantalizing, toe-tickling music going in real city style until three o'clock, with Johnny Mansfield in charge of the floor and doing his utmost to see that everyone had the best time ever.

Altogether the affair was truly a credit to all concerned and will live long in the memory of both members and patrons alike, and the directors and officers wish to extend their hearty thanks to all who assisted in any way in securing such success, and especially to the ladies for their able and valued help with the victualing end of the gathering.

United Ch. Ladies Held Ann. Bazaar

**FANCY WORK, HOME COOKING
SOLD SATURDAY**

A sweeping sale of work and home cooking was staged by the United Church Women's association Saturday afternoon at the I.O.O.F., the last of the pre-Christmas church bazaars. The sale was opened at 3 o'clock by Rev. W. J. Huston of the United Church, with a few well-chosen words to the workers and also to the buyers.

A great variety of very lovely work was contributed by the ladies for the sale and a large percentage of it was sold. Very tempting specimens of home cooking in the line of cakes, conies, candies, and other dainties were there to tempt the taste and the pocketbook of the buyers. Tea was served during the afternoon.

The groups of the W.A. were represented by Mrs. Bowerman, Mrs. Telford, Mrs. Mannors, Mrs. Knowles and Mrs. Fieldhouse at the fancy work table.

The kitchen work for the tea was ably arranged by Mrs. Fish, Mrs. Murray, Mrs. Bowen, Mrs. Schlitt and Mrs. Kirkpatrick, who prepared a dainty lunch of fruit salad and other tasty dainties. These were served by the tea table committee, whose members were Mrs. Durant, Mrs. MacKenzie, Mrs. Wiley and Mrs. Armstrong. Mrs. Lyle and Mrs. Thomas were in charge of the table of home cooking, and Mrs. Robinson presided over the home cooking table.

The ladies of the W.A. wish to express their sincere thanks to all who helped so liberally to make the bazaar a success.

THE TOWN BAND BOYS WILL SPONSOR SANTA CLAUS VISIT

**ARRANGING FOR BIG CONCERT TO ASSIST NEEDY KIDDIES
OF DISTRICT; WOMEN'S INSTITUTE TO LEND
THEIR ASSISTANCE**

Nothing can give a greater glow to the hearts of any of us than to share the joys of Christmas giving, and thus emulate the Great Master, and this is the spirit which was evinced at a special meeting of the Town Band Boys last week when they completed arrangements for staging a monster "Children's Welfare Fund" concert for the purpose of gathering the wherewithal to provide Christmas cheer, clothing and other necessities for the needy children of the district.

The plan as at present consummated is to hold a grand concert, supper and dance on Thursday, December 22nd in the theatre, and in this festivity all are invited to participate, at the small sum of fifty cents per adult with children admitted at half-price. Of course, there is really no constraint to attend, but it is truly a duty to procure tickets.

The arrangements provide that after the affair, the funds will be used by the local Women's Institute ladies to see that every case of need among the children of the district will be met, and that so far as they are able to, they will see that all these kiddies will be provided with the necessary warm clothing required. And this, with possibly a few dainties will prove to the youngsters that Old Santa is still on the job in this year of grace 1932.

The theatre is being loaned by the management for the occasion, Alec. Adams is giving the services of his splendid orchestra, and all committee work and expenses are being donated, so that all the money raised by the sale of tickets can be used for this worthy purpose. Tickets are now on sale and our readers are asked to see to it that they procure one or more of these, even though they cannot attend the function.

And don't forget, Tickets are only 50c each (children half-price).

Dom. Becoming Fully Air-Minded

**AIRCRAFT WORTH \$1,210,000
MADE IN CANADA IN 1932**

According to figures prepared by the Dominion Bureau of Statistics covered in 1931, seven aircraft plants operating in Canada had gross value of production amounting to \$1,210,000. A year ago, similar figures showed six plants with a gross productive value of \$1,369,000. Capital invested in the industry increased slightly during the year to \$2,160,000. Number of persons employed in the industry in 1932 totalled 257 while salaries and wages paid amounted to \$367,545.

Corresponding figures a year ago were 139 employees who received \$317,049, the cost of materials used in 1931 was \$462,000 as compared with \$366,000 the previous year. Detailed items of production for 1931 show that there were produced 11 that year 68 aircraft of all kinds, complete with engines which were valued at \$670,745. In addition, eight aircraft complete without engine and valued at \$31,557 were made. Some 26 aircraft engines valued at \$43,000 were manufactured while approximately \$465,000 was spent for parts and accessories, and all other items including custom work.

CANADIAN HONEY WINS

Reports received by the Dominion Fruit Branch hold a special interest for honey producers in Canada, showing as they do that Canadian exhibitors captured eleven prizes in the honey section of the Imperial Fruit Show held in Bingley Hall, Birmingham, England, on the 21st to 29th of October. These include one first, six seconds, and four thirds.

Christmas Parcels Must Be Mailed Reasonably Early

**ONLY BY CO-OPERATION
IS DELIVERY TO
BE ASSURED**

The post-office department are anxious that all deliveries of parcels and hampers for friends at Christmas shall be made by a specific date, and to this end have published the following list of dates as the latest time for getting your parcels to the local post-office, and in that way ensuring satisfactory delivery on time:

Eastern United States, Dec. 12.
Maritime provinces, Dec. 12.
Quebec, Dec. 15.
Ontario, Dec. 15.
Western United States, Dec. 15.
Manitoba, Dec. 17.
British Columbia, Dec. 17.
Saskatchewan, Dec. 17.
Alberta, Dec. 19.

GAS PRESSURE DROPS AT TURNER VALLEY

CALGARY.—Pressure has been dropping at the alarming rate in Turner valley gas field, according to a member of the Alberta Gas Conservation board which has competence tests in the area with a view to reducing production and thereby prolonging the field's life.

The board's finding will be made known at a public hearing in Calgary, January 16. It is said that from September 25, 1932, to November 24, pressure decreased from 10 to 30 pounds per square inch. During a 137-day period one well showed a pressure drop of 105 pounds or almost a pound a day.

There will be a meeting of the St. Thomas Anglican church parishioners and communicants Sunday evening, Dec. 11, immediately after church. There will be free and frank discussion on points of church order.

Alberta Men Ranked High

**WON MANY PRIZES AT
CHICAGO SHOW**

Depressed economic conditions appear only to act as a stimulus to Alberta live stock and grain exhibitors in their efforts to beat their previous records in the international exhibitions. Once more the world wheat championship has come to Alberta from Chicago, the victory going to Herman Trelle, of Wembley, in the Peace River district, for the fourth time, as a result of the judging in the Chicago international show the past week. This record has never been equalled in the international show. Trelle won this year with a sample of Howard wheat.

Three more championships came to Alberta, that in oats going to Fred Hann, of Grande Prairie district, a new exhibitor, that in timothy going to Erich Anderson, of Wembley, and that in alfalfa going to Fred Ohman, of Scandia, south-east of Calgary.

In spring wheat, seven out of the first ten prizes went to Alberta exhibitors at Chicago, second prize going to F. Wilford, of Stavelay. In all, some 20 prizes in wheat came to this province.

Alberta exhibitors got seven prizes in the barley classes, and seven in the field pea classes, three in navy beans and one in rye, four in timothy, four in flax and two in alfalfa.

As a result of the Alberta winnings the province presents three new seed champions to the world. These are Fred Hann, near Grande Prairie, the new oats champion, Fred Ohman, of Scandia, south-east of Calgary, the new alfalfa king, and Erich Anderson, of Wembley—the new holder of the timothy crown. Both Fred Hann and Erich Anderson are proteges of Herman Trelle, the wheat champion. Mr. Hann is a newcomer in the Chicago entries. After working for Trelle for a time he home-stayed 50 miles north-west of Grande Prairie some five years ago. He is of Danish-German extraction. His champion sample of oats weighed 57 lbs. and came from a field which produced 100 bushels to the acre. He is the farthest north Alberta seed producer yet to win a championship at Chicago. Erich Anderson has been in the limelight before with his winning in oats. He also was a worker with Trelle for a time. Fred Ohman, of Scandia, the new alfalfa champion, settled on the irrigation project at Scandia in 1920, and last year won first in alfalfa in the provincial field crops competition. In 1930 he won first at the Royal Fair at Toronto, and tenth at Chicago. Last year he again won first at Toronto and fifth at Chicago. This year he won first, at both shows, and the championship, at Chicago.

Royal Fair Totals

The official count of Alberta winnings at the royal fair, Toronto, was as follows: Grand Championships 4, others including reserves 21, specials 4, first prizes 53, seconds 42, thirds 33, other prizes 87, making a grand total of 251. In horses there were 10 prizes, in beef cattle 34, in market cattle 29, in dual-purpose short horns 4, in dairy cattle 57, in sheep 31, in swine 5, in poultry 23, in turkeys 9, in seed grains 29, and in junior seed classes 16.

Novel Scheme to Cancel All Debts

**BUT NOT LIKELY TO BE
MADE GENERAL THOUGH
ADVOCATED NOW**

Professor Fisher, an outstanding economist and professor of economics at Yale university for very many years has handed out a somewhat doubtful solution of cancellation for the war debts of the world.

In addressing a large gathering at the Council club in Toronto recently on "Booms and depressions" he was asked:

"Do you believe in cancellation of war debts, and would it be a good thing for all concerned?" he was asked. Professor Fisher in his address had blamed the depression on "Debt Disease" and "Money Disease."

"I believe all inter-government debts should be cancelled," he replied. "War debts can be settled by payment in full, repudiation or cancellation, but cancellation must be voluntary. Public opinion in the United States does not favor cancellation. Therefore, I would suggest that the debts be met in full by instalments. These debts approximate eleven billion dollars. Payments of principal could be made at the rate of one dollar a year for eleven billion years, and accumulated interest thereafter at the annual rate of one dollar a year."

Possibly the professor in his calmer moments can work out some similar solution of payment for all accrued debts along the lines of his ideas regarding the world war commitments!

Mrs. H. L. Coursier was in Edmonton from Saturday to Monday for a meeting of local officials for the May musical festival.

Bow Island Gets Free Natural Gas Next Five Years

**TOWN GIVES COMPANY OLU
USELESS GAS WELL
IN BARTER**

As a result of the re-pressuring of the Bow Island gas field by Turner Valley gas, the town of Bow Island will receive free gas for the next five years.

The Canadian Western stored gas in Bow Island from Turner Valley. There sat the town of Bow Island with a well right in the middle of the re-pressured area, all the rest of the wells belonging to the Canadian Western. The Canadian Western agreed to supply the town free of charge for five years if the town would give the company its present well which is in bad shape. The company will plug and abandon the well. After five years the town will have to buy gas.

MUST ADJUST MONEY VALUES SAVE HUGE WHEAT CARRY-OVER

**PREMIER BROWNLEE URGES
DOLLAR BE BROUGHT TO
LINE WITH POUND**

In addressing a huge gathering at Lethbridge last week, Premier Brownlee declared that unless the Canadian dollar is brought into line with the British pound sterling, which action will enable Canadian farmers to sell their wheat abroad at a fair value, there will likely be a carry-over at July, 1933, of possibly two million bushels, whereas the wheat from the Argentine and from Australia will be disposed of owing to the depreciated currency of those two countries.

The vice-president of the U.F.A., Mr. Norman Priestley, a one-time resident of Wainwright, who also addressed the same meeting with the premier advocated inflation of money values for the immediate purpose of paying a 5-cent wheat bonus to western growers and to meet unemployment relief. This inflation, he said, would at once liberate \$20,000,000 of new money on the prairies. Both speakers expressed themselves

BEAUMONT NO. 2 WELL STRIKES 25 - BARREL DAILY PRODUCTION

**DIRECTOR BEAUBIER SAYS WILL
COMMENCE THIRD SOON
AS POSSIBLE**

Last week-end brought Santa Claus (possibly a little early but none the less welcome) to the Beaumont Oil Co. in this field, when their No. 2 well, which is situated on the main road just north of Fabyan, was brought into production with a yield of 25-barrel capacity every 24 hours of good crude oil. In addition there is a good evidence of gas, and the hole is absolutely free of water.

Arriving here last week-end from his duties at Ottawa, Mr. D. W. Beaubier, M.P. for Brandon, Man., managing director of the company in an interview regarding the occurrence stated that an oil sand some 10½ feet in thickness had been entered at a depth of around 2,200 feet, the sands being very heavily saturated

Gives Report on Aluminum Utensil

**REPORTED ABSOLUTELY SAFE
& NO DANGER FROM USE
IN COOKING, ETC.**

As the result of exhaustive tests conducted by Dr. J. H. Burn, M.A., director of the British government pharmacological laboratories, the familiar boggy that aluminum cooking utensils when used for cooking may prove harmful to health has been fully exploded. This report in full is being distributed among all the leading medical fraternity and health officers of the Dominion.

As a preface to the detailed report, it was stated that the subject was deemed of great importance and accordingly a complete research was made. If the conclusions had warranted it, the society was fully prepared to publish an adverse report, it was explained.

One part of the research was the cooking of various food in aluminum content. It was found that cabbage cooked in vinegar and apple sauce absorbed the greater quantity of aluminum from the cooking vessels. However, further experiments showed that a person eating all his or her food cooked in aluminum utensils would only receive a minute quantity of aluminum per day.

"There is not the slightest danger in using aluminum utensils for cooking," Dr. Burn reported.

Bill Stuart received word of the death of his only uncle, who died Nov. 17 at Eagle Grove, Iowa, aged 70 years.

Miss Hart spent a few days in Edmonton over the week-end.

with crude, and some gas being in evidence.

Upon the well coming in, the drilling operations which have been carried by a big rotary machine were stopped and it is the intention to set the casing at present bottom, and then drill through to make the well a commercial producer without going to any deeper levels.

It is also the aim of the company to install pumping machinery at their No. 1 well, which was previously brought in as a producer with a daily output of 20 barrels.

When asked regarding future operations in the field, and about the matter of markets for the crude, Mr. Beaubier pointed out that this would prove no difficulty as there is a refinery in the vicinity of the wells at Fabyan as well as at Wainwright. He also stated that just as soon as possible a start will be made on No. 3 well which will be located just north of the new producer.

LOCAL BOY HEAD-LINER IN MAN. BOXING BOUT

Les Beazley, youngest son of Mr. and Mrs. E. W. Beazley, of this district was head-liner in a big boxing bout recently when he went four rounds with the Terrible Dane, of Shorthoaks, for the title of the evening's bill.

In commenting on the affair, The New Era, of Melita, Man., where the event was staged, writes as follows:—"Kid (Les.) Beazley, billed with the Terrible Dane in the head-liner of the evening, lost the verdict, though he put up a plucky scrap all the way and was the most popular with the crowd for his clean work. Owing to lack of training, however, he was not in as good a condition as his opponent." Better luck next time, Les!

Joe Nadeau was in Wainwright last week inspecting the convent construction job.

Henry Walters Died November 28 at Vermilion

**SETTLED IN DISTRICT IN 1912;
WAS 45 YEARS OLD**

Henry Walters, long a resident of this district and well known here, passed away at the hospital at Vermilion Monday, Nov. 28, at 7 a.m. He had suffered a lingering illness, and was only 45 years of age.

Mr. Walters, who was born in Zurich, Switzerland, settled in this district in 1912 with his cousin, Henry Bratchen, who still lives in the Auburndale district. The deceased is survived by his widow and three small children, and by one sister who still lives in Switzerland.

Funeral services were held at the United Church in Vermilion, with Rev. Boyd officiating. Funeral arrangements were made by Warnings at Vermilion.

Friends who served as pall bearers were John Winters, Peter Jensen, George Symes, A. Friesell, George Carins and Walter Alexander. Many floral tributes were sent to the bereaved family, including many from friends and neighbors in Battle View and the Auburndale L.O.L.

SETTING NEW BOUNDS FOR FEDERAL RIDINGS

Before the adjournment of parliament on Friday last, Premier Bennett announced the appointment of a committee of 20 members to re-draft the re-distribution bill. The committee is to be composed of 11 Conservatives, seven Liberals, one U.F.A., and one Labor member. Hon. Chas. Stewart representing West Edmonton, and Mr. D. M. Kennedy, from Peace River are among those appointed on this committee.

A new angle to this perpetual wheat championship is the new ruling that after three such wins, an exhibitor is barred for three years in competition at the "world" show at Chicago.

WAINWRIGHT, ALBERTA NOVEMBER 30th., 1932

ENLARGED MUNICIPAL DISTRICTS REJECTED

The rejection of the provincial government's plan for the re-organization of municipal districts by the Municipal districts convention at Calgary was not unexpected says an exchange, in view of the unfavorable reception of the scheme throughout the province.

At meetings held in quite a number of municipal districts to obtain the views of the electorate upon the question it was plainly shown that the people generally are opposed to the plan.

In the south country there was considerable opposition from the ranchers. Most of the ranching country lies in the local improvement districts, which are administered from Edmonton, and the fear was that taxes on ranching land would be higher under the new arrangement. Other opposition came from those who thought that contact with local problems would be lost through the larger units; that a bureaucracy might be built up out of touch with the needs of the districts which lie now but a few miles from the present councilors' homes. Some representatives of the better placed districts thought that their taxpayers might be saddled with the liabilities of the less fortunately placed districts adjoining them. And there were other reasons, all of which combined to make the rejection of the plan, in spite of the well reasoned exposition by the provincial authorities, emphatic.

Some such re-organization seems bound to come, and the rejection of this plan by the convention was regrettable. Could it not have been referred to a committee of the convention for detailed study and possible improvement or amendment, and again taken up by the convention next year, or by a special delegate selected for the purpose? According to Premier Brownlee the main purpose of the plan is to enhance the borrowing powers and credit positions of the districts, a step which he considers vitally necessary, in view of the financial outlook of the province.

With the improvement in communications throughout the western provinces, the tendency to reduction in number and enlargement in size of

administrative areas will increase. A municipal district re-organization, a school district re-organization, and some re-arrangement of judicial districts are all changes in line with the times, and their advantages, or otherwise, to the taxpayer should be carefully studied.

FULLY PROVING OUR CONTENTION

In an address given by Mr. Frank Boselli, director of the business management bureau of the Retail Merchants' association of Canada before the Commerce club of Queen's university recently it was thoroughly stressed by the speaker that "The depression has only served to further prove the vital necessity of scientific methods of management, and the liberal and intelligent use of newspaper advertising for retail merchants who hope to succeed today."

Among many other pertinent facts which he fully outlined, he said: "Many merchants bitterly complain of mail order, chain and department store competition, but fail to realize that these businesses have not grown because of any magic, but by virtue of better organization and more scientific business methods," stated Mr. Boselli, who continued:

"A new era of merchandising is here. The scientifically operated, individually owned retail store is coming into its own. The merchant who adopts up-to-date methods and advertises intelligently has no need to worry about competition; for he has the priceless advantages of a personal acquaintance with his customer, an intimate knowledge of their needs, and in many cases, a social contact with them."

Qualifying his advocacy of newspaper advertising, Mr. Boselli pointed out that it is easy for the average merchant to judge for himself its value. A check of the fastest selling items in any store will reveal nationally advertised products for which demand has been created by a liberal use of the newspapers. Manufacturers spend millions to accomplish this. Similarly, experience has proven that local newspaper advertising is the logical medium to inform the public at which store their favorite nationally advertised products may be procured.

"Our experience and investigation has also shown that the average merchant instead of spending too much for is not spending enough for advertising," he said. "Furthermore in every case where we have recommended an increase in the advertising budget it has resulted in an appreciable increase of sales and profits."

An interesting case was that of a butcher store during last July and August, which are the slowest months of the year in the meat business. His competitors' sales showed the usual summertime drop, while his increased nearly eight per cent the first and second week; ten per cent the third; and seventeen and a half per cent the fourth and succeeding weeks of the summer campaign. Needless to say, this merchant is an ardent advertising advocate now.

A delicatessen store agreed to test the results of advertising by featuring rye bread. Sales increased 300 per cent and have held up for four months and now they have increased their appropriation with advertising covering their entire line of products.

A Ladies Ready to Wear Store, on their first week's test, reported the best week's business for months and a worthwhile increase of new customers, while a Children's Wear Store ran a seven week campaign, with a Contest tie-up, and received over 3,000 contest slips. Naturally many new accounts were opened.

"I do not intend to convey the impression that advertising is a panacea for all business ills, because it is not; but intelligently used for an attractive store that has an appealing line of merchandise, it is surprising the increased business that will result. And further providing that the management methods are sound, this increase can be converted into a very substantial bank balance."

As a final proof that merchants losing money today are doing so because of wrong methods and lack of advertising, Mr. Boselli cited the fact that during the past two years, since The Business Management Bureau of The Retail Merchants' Association was brought into existence, every single business referred to it by reason of being in a doubtful or "derelict" condition, with one exception where the manager died, has been rehabilitated and put back upon a profitable basis through the application of correct merchandising and management methods with a proper advertising program.

THE WAY TO BUSINESS

Mr. Merchant, the newspapers from the larger cities near your community are coming into the homes of your own customers these days with advertising columns bursting with announcements of real values.

They are drawing the dollars out of the pockets of the people who should be purchasing from you.

These city merchants know their advertisement in their city newspaper will bring results or they wouldn't be spending good, hard-earned money for that advertising.

Your own values are just as outstanding—and even more so—than the values being offered your customers by the city merchants.

Odd—but TRUE

BEETHOVEN INVENTED SYNCOPATION, OR JAZZ MUSIC

AMONG CERTAIN AFRICAN TRIBES THERE ARE LAWS WHICH FORCE A MURDERER TO TAKE THE PLACE OF HIS VICTIM.

THE AVERAGE TELEPHONE VOCABULARY IS 700 WORDS
SIXTY PER CENT OF THE TIME ONLY FIFTY OF THESE ARE USED

If you are to get the dollars that are rightfully yours, you will have to inform your customers of this fact in big, bold headlines in your home newspaper, and then back those headlines up with the price tags on your merchandise.

Local advertising has the jump on advertising that comes in from the outside, but you, Mr. Merchant, have to keep that lead by properly utilizing the home town newspaper columns consistently and with careful attention to the preparing of copy.

RADIO ADDRESSES

Radio station CKCK is contributing a period of fifteen minutes, 12:30 to 12:45, M.S.T., during the noon hour of each Sunday, for the purpose of a short address on the subject of the World's Grain Exhibition and Conference. Each address will be informal but informative. The series will continue during the fall and winter.

THE STARVING COW AND STACK OF HAY

This is a story about the depression. It is meant to show the stupidity of there being so much real wealth in the world which the people cannot get through bad economics. It is told by Robert Quillen in a popular magazine as follows:

"Sometimes I get so plum sick and disgusted with the human race's lack of sense that I just want to set down and cry. You take the way things are here right at home. One committee is askin' help for the mill folks, another one is askin' help for the farmers. The mill has made so much cloth it can't find no sale for it and has to close down, and the farmers has raised such a big crop that they can't get nothin' for it or find nobody to buy it."

"The mill folks is going hungry for want of things the farmer's got too much of, and the farmer's is going around with their shirt tails sticking through their britches for want of the cloth that's stacked up in the mill."

"Imagine a starvin' cow on one side of the fence and a stack of hay on the other, and in all this broad land not a single two-legged creature in pants with sense enough to bust the fence down or throw hay over."—Etc.

COLORADO FARMERS FOR WORLD'S GRAIN EXHIBITION

There will be a large number of entries from Colorado farmers at the World's Grain Show to be held at Regina next year according to J. G. Stewart, extension agronomist of the Colorado Agricultural College.

In a communication to the secretary Mr. Stewart says, "The State of Colorado is much interested in the Exhibition and Conference," and adds that there are many growers preparing to participate. "Send us rules, regulations and premium lists and I shall see that these are properly distributed."

HEALTH IN WINTER

There used to be a question asked to music concerning the whereabouts of flies in winter. We might ask a similar question as to what becomes of people during the winter season. All summer and fall they spend hours out of doors, but when winter comes, most of them disappear and are seen only when they rush to and from work, or when they are on their way to and from some indoor amusement centre.

There is more sickness and people are less healthy in winter than during the rest of the year. This is not due to the cold weather, but is of living which accompany the descent of the temperature.

To live in overheated, unventilated homes and to work under similar conditions is to invite a lowered state of health and a condition favourable to the development of disease. An occasional gulp of fresh air between the crowded car and home or workplace does not meet the body needs for fresh air which are just as great in winter as they are in summer.

The habits of eating are probably much the same all through the year. This means that if enough food is eaten in summer, then too much is consumed in winter. When the body is inactive, less food should be used, otherwise the body becomes overloaded, digestion is apt to be upset, constipation may develop and excessive weight may be added.

A certain amount of activity is essential for health, the larger muscles of the body should be put to active use daily. A simple, practical and inexpensive way of bringing the large muscles into play is to walk, and if no other exercise is taken regularly, a daily walk of one hour out of doors should be the rule.

We can live in winter so as to enjoy health. There is no reason why the spring should find us rundown. Fresh air is to be had for the taking. The bedroom can be kept filled with fresh air by having the window open wide enough to allow for a free circulation of the air every night. Rooms can be kept at a proper temperature (about 68 degrees), to enable the body to get rid of its heat rapidly.

Extra clothing should be worn out of doors and taken off indoors. Over-clothing indoors causes perspiration, dampened clothes and subsequent chilling of the body when the cold air is met outdoors.

Overeating is to be avoided. The weight should be watched and food intake cut down as physical activities are decreased.

SUBSCRIBE to the Star.

THERE HE WAS

BOSTON.—A large detail of police had thoroughly searched the district surrounding little Bobby Clement's house after he had been reported missing. Finally Lieut. Thomas E. McMurray had a hunch. He looked under the child's bed and there was Bobby, fast asleep.

SLATS' DIARY

By Rosa Ferguson

Friday—Effy Plant has got married again. They was all most a mix up this time becus the judge sed her divorce Decree wood be all redy by Thursday noon so she went ahead and the minister was there and if her on-tended husband wood of ben on time she wood of fergot about the divorce but he was late and the divorce cum Just in time to keep her from Cam-mitting Bigamy. She says this is the 1st.

Saturday—Pa says he is Discusted with Pollatix. The wets says the country is wet and the drys says the country is very dry. So pa says he cant understand what they are arguing about and Wushes they wood keep there mouth shut a while.

Sunday—Lafe Lamey has hawt his self another 2nd handed ford so when 1 of them goes rong why he will no half to call the recking car to Toe him in home.

Munday—well ma finely got pa to by her a Fir coat. When Mr. Gillem seen it he chuddent keep from smiling and he sed to pa. Well I see you bawt your Wife a fir coat to keep her warm this winter and pa replied and sed. No I have bawt her a fir coat to keep her quiet for a yr. or to.

Tuesday—Well pa got to have his little Joak tonite at the supper table. we was talking about the English Langwidge and Ant Emmy that it was very very difficult to lern. Personally I think it is very Easy. Ant Emmy ast pa why should there be a B in the wurd deb and pa laffingly Retorted. The B is put in to finish the Sting.

Wednesday—well ma and me went to the pitcher show tonite and ma was mad all the time becus pa slipt out on us and diddnt go long and then when we cum home we discovered ma had locked pa in the seller will he was fixing the fire in the furnace. I smiled silently to myself & I dont think pa liked it so very much.

Thursday—Are Dentist is a very Pecular man. Ma sent me up to see him about my tooth witch has been aching very Bad. & I was trying to tell him what to do when he told me to open my mouth and shut up. I think he is incoon—very hard to please.

AN INTERESTING REVIEW

The third annual review of the world grain market situation by United Grain Growers Limited, which was presented at the annual meeting of that Company held recently in Saskatoon, has just been published. As in previous years the review contains a concise summary of statistics relating to world production of and world trade in wheat, and at the same time discusses various developments in the wheat situation. It is pointed out that there is still, as there have been for several years, special circumstances connected with the supply of wheat, which would make fairly low price inevitable. But the general depression which now for over three years has afflicted the world is considered even more important as a depressing factor in

prices. This year's world production outside of Russia and China is practically the same as last year, not more than can be consumed within a year, probably less than consumption would be under conditions which would permit a normal flow of trade and larger consumption of wheat in importing countries where prices have been kept very high by tariffs. Development in the United States, in Russia, in Great Britain and in continental Europe, are discussed, and the whole review will repay careful reading.

It is understood that a copy has been mailed to each shareholder of the Company, while others interested may procure copies at any elevator or office of United Grain Growers Limited.

Tokio, Japan, will hold an international health exhibit.

OCTOBER EMPLOYMENT FIGURES SHOW INCREASE

There was an improvement in employment in Canada in October, according to reports. Figures from 8020 firms show staffs employed of 706,105 persons as against 700,867 in the preceding month. The upturn is particularly interesting because usually employment shows a drop in Canada in October. Despite the increase noted this year, the figures are below the average as compared with previous years. The most pronounced gains in employment were made in the canning industry and textile factories. Improvement was also noticed in logging, mining, transportation, highway construction, and trade. Building construction, however, showed a decline.

Phone us your local news.

TWENTY YEARS AGO
Dec. 4, 1912

The last buffalo born in Canada was killed in the Park here last week when Supt. McTaggart on making the rounds discovered the animal badly gored, and unable to move from his tracks where he had been left by one of the younger bulls. This bull was known as the "Banff Bull."

What came near to being a disastrous fire occurred at the Park Hotel last Wednesday. The fire started from a pile of live coals in the yard back of the hotel which were fanned by a high wind. An alarm was quickly turned in, and the fire was extinguished by water and chemicals.

The wedding of Katherine Cooper and George Reid was solemnized at the home of the bride's parents last Wednesday.

It is thought that the Hardware firm of Washburn and Mills will be dissolved and that one of the partners will assume full control. With this issue they are announcing that the business will be carried on a cash basis. They say that this will allow them to reduce the cost of merchandise.

Councillor Lally and J. H. Dawson are candidates for the Mayoralty. The contest will be a hot one. There will, however, be no contest among the councillors since there are only enough running to fill the vacancies.

Messrs. Louis and Winhold are negotiating with the proprietors of the Wainwright Hotel to install electric lighting throughout the building. The power will be furnished by the Elite Theatre Co.

TEN YEARS AGO
Dec. 6, 1922

The St. Andrews Presbyterian church held their anniversary services Sunday and their annual dinner and social Monday.

What should have easily attained fatal results was an occurrence that happened Friday in the Buffalo Park.

When We Were All Much Younger

It was only by a narrow margin that E. (Bud) Cotton escaped with his life. It appears that Bud was down near the Alexander gate when the horse he was riding old "Frost" (the oldest horse which the park riders have in use) became scared at an old bull buffalo and before the rider could get out of range the wild animal charged his mount and badly gored it along the flank. The buffalo evidently appeared its anger by this action and made off, while Bud, who had been heavily thrown, seeing the condition of his mount had to shoot it.

Members of the L.O.O.F. held a surprise gathering at the home of Mr. O. Lewis, who has been bed-ridden for a long time. The evening was spent in social and fraternal intercourse.

ONE YEAR AGO
Dec. 9, 1931

Mrs. Rosa Voros, of Fabyan passed peacefully to her reward at the farm home of her son, James, at noon on last Sunday. She was 77 years old. The deceased had been in failing health for some months, and was a patient in the Wainwright hospital for a period last winter.

Mr. John Bell sustained a fractured right arm and nasty bruises when he fell from a ladder while working at the Park.

Mr. and Mrs. Phil Brassard spent the week-end at the home of Mr. and Mrs. Sam Rajotte. Miss Lillian Heffernan and Mrs. Erle Heffernan spent a few days in the city last week visiting friends.

Mr. Dave Rattray left Monday to pay a visit to his old home in Scotland.

Miss L. Mabey was a business visitor in Edmonton over the week-end.

Mr. and Mrs. J. G. Clark left Friday to visit relatives in Hamilton, Ont. They will spend the winter there.

Annual Meeting of Bank of Montreal Passes Annual Statement

Total Assets At \$769,166,272 Include Liquid Assets Equal to 63.46 Per Cent. of All Liabilities to Public — Depositors Maintain Good Savings Accounts — Assets Over Liabilities to the Public Amount to \$76,160,954.

The Bank of Montreal annual statement presented to the annual meeting in Montreal on Monday, shows that the Bank has been able readily to maintain its traditionally strong position. The ability to do so, especially under the general conditions that prevailed, will bring a feeling of confidence to the Canadian public, and it should at the same time afford a full measure of satisfaction to the many shareholders of the Bank.

With the lessened activity in trade and industry, a number of the accounts show a reduction as compared with the previous year, but in every instance the decrease has been very moderate in view of the conditions which have existed. On the other hand, funds have found employment for the time being very largely in government and other bonds and debentures. At the same time there are substantial additions to reserves in the holdings of cash in the vaults of the Bank and in the Central Gold Reserves.

This development indicates that, just as soon as there is a revival in business the Bank will immediately be in a position to take care of the increased requirements of its customers.

In the meantime there will be throughout Canada a reassuring feeling of confidence in the Bank's strong liquid showing.

The annual statement, which is for the fiscal year to October 31st, and is presented in easily understandable form, appears elsewhere in this issue. It shows total assets of \$769,166,272, as compared with \$704,523,333 at the end of the previous year. Included among these are quickly available resources of \$439,768,506, equal to 63.46 per cent of all liabilities to the public. They are up from \$417,400,608 a year ago.

As was to be expected, the principal accounts in the quickly available

reserves are represented by government and other bonds and debentures of a value of \$266,729,664 up from \$236,433,817 a year ago. Cash on hand and in Central Gold Reserves stands at \$84,976,182.

During the period there has been a steady reduction in call loans, with the result that call loans outside of Canada are down to \$20,071,135 from \$28,252,802, while call loans in Canada now stand at \$5,157,690, against \$9,243,921 at the end of the previous year.

Current Business Quicker As a result of the lessened activity in industry and trade generally, current loans continued to recede from the higher levels of more active years and now stand at \$302,931,269, as compared with \$348,525,148 a year ago.

Deposits continue at a healthy level and would seem to indicate a desire on the part of Canadian depositors to maintain ample savings accounts during difficult periods. Total deposits are reported at \$648,832,663 and compare with \$669,047,251.

A particularly interesting feature of the report is that it shows total assets of \$769,166,272 with which to meet payment of all liabilities to the public of \$693,005,318, leaving an excess of assets over liabilities to the public of \$76,160,954.

The profit and loss account reflects the smaller amount of business offering during the year. Total profits for the fiscal year to October 31st, and were \$4,663,100, as compared with \$5,386,379 in the previous year. The distributions made from profits were: dividends to shareholders \$3,960,000; provision for taxes Dominion Government \$457,671; reservation for bank premises \$100,000, leaving a balance to be carried forward of \$145,429. This amount, added to the balance of \$1,103,427 carried forward at the end of the previous year, brought the total balance at the end of the fiscal year to \$1,248,856.

BANK OF MONTREAL

Established 1817

A presentation, in easily understandable form, of the Bank's

ANNUAL STATEMENT

31st October, 1932

LIABILITIES

LIABILITIES TO THE PUBLIC

Deposits	\$648,832,663.16
Payable on demand and after notice	
Notes of the Bank in Circulation	34,102,970.00
Payable on demand	
Bills Payable	180,186.44
Time drafts issued and outstanding	
Letters of Credit Outstanding	8,343,722.33
Financial responsibilities undertaken on behalf of customers (see offsetting amounts [a] in "Resources")	
Other Liabilities	1,545,776.16
Items which do not come under the foregoing headings	
Total Liabilities to the Public	\$693,005,318.09

LIABILITIES TO THE SHAREHOLDERS

Capital, Surplus and Undivided Profits & Reserves for Dividends	76,160,954.60
This amount represents the shareholders' interest in the Bank, over which liabilities to the public take precedence	
Total Liabilities	\$769,166,272.69

RESOURCES

To meet the foregoing Liabilities the Bank has

Cash in its Vaults and in the Central Gold Reserves	\$4,976,182.21
Notes of and Cheques on Other Banks	30,387,693.83
Payable in cash on presentation	
Money on Deposit with Other Banks	31,727,248.52
Available on demand or at short notice	
Government & Other Bonds and Debentures	266,729,664.26
The greater portion of which consists of gilt-edge securities which mature at early dates	
Stocks	618,288.17
Railway and Industrial and other stocks	
Call Loans outside of Canada	20,071,135.74
Secured by bonds, stocks and other negotiable securities of greater value than the loans and representing money quickly available with no disturbing effect on conditions in Canada	
Call Loans in Canada	5,157,690.80
Payable on demand and secured by bonds and stocks of greater value than the loans	
Bankers' Acceptances	100,603.11
Prime drafts accepted by other banks	
TOTAL OF QUICKLY AVAILABLE RESOURCES (equal to 63.46% of all Liabilities to the Public)	\$439,768,506.64

Other Loans	\$302,931,269.80
To manufacturers, farmers, merchants and others, on conditions consistent with sound banking	

Bank Premises	14,500,000.00
Three properties only are carried in the names of holding companies; the stock and bonds of these companies are entirely owned by the Bank and appear on the books at \$1.00 in each case. All other of the Bank's premises, the value of which largely exceeds \$14,500,000, appear under this heading	

Real Estate and Mortgages on Real Estate	1,721,771.17
Acquired in the course of the Bank's business and in process of being realized upon	

Customers' Liability under Letters of Credit	8,343,722.33
Represents liabilities of customers on account of Letters of Credit issued by the Bank for their account	

Other Assets not included in the foregoing	1,901,002.75
--	--------------

Making Total Assets of	\$769,166,272.69
to meet payment of Liabilities to the Public of	\$693,005,318.09

leaving an excess of Assets over Liabilities to the Public of	\$76,160,954.60
---	-----------------

PROFIT and LOSS ACCOUNT

Profits for the year ending 31st October, 1932	\$4,663,100.60
Dividends paid or payable to Shareholders	\$3,960,000.00
Provision for Taxes, Dominion Government	\$457,671.05
Reservation for Bank Premises	100,000.00
	\$4,145,429.65
Balance of Profit and Loss Account, 31st October, 1931	\$1,103,427.05
Balance of Profit and Loss carried forward	\$1,248,856.10

DONNA FRASER WAS INJURED AT RINK SUN.

Donna Fraser, daughter of Mr. and Mrs. J. Robinson, was knocked down while skating at the rink Sunday afternoon and suffered a fracture of the left collar bone. She was rushed to Dr. H. C. Wallace who gave her relief, and the injury was X-rayed Monday. The patient is getting along nicely now.

The Wainwright Skating rink opened last Saturday afternoon, and from the looks of the crowd of young people who turned out that afternoon it will be quite popular all through the winter. The weather up until the last of the week was unfavorable to ice skating but Friday it turned colder, and the ice is now in pretty good shape. The schedule of dates has not been definitely settled, but they will be arranged shortly.

Agnes Carrell Hostess Friday

Miss Agnes Carrell was hostess to a group of friends at a whist party Friday evening at her home. The evening was spent in playing whist and dancing, and in enjoying special features. Miss Elizabeth Zook and Reg Coffield were the prize-winners in whist. Guests included Miss Lulu Prosser, Miss Elizabeth Zook, Wallace Prosser, Reg Coffield and Mr. Birtles.

Box Social, Dance Held at Gilt Edge

A box social and dance was sponsored at Gilt Edge Friday evening by the Anglican church, and a most enjoyable evening was reported. Numbers on the program included songs by Mr. Hoening and Mr. Roberts, and readings by Mrs. L. E. Minter, Miss Gibson and Mr. Crabbe.

A.Y.P.A.

Met Monday

The A.Y.P.A. met Monday evening at the home of Mrs. Frank McLeod. Rev. C. N. Bateman gave a half hour talk on church history which was followed by a discussion. A business meeting was also held, devoted to making plans for the whist drive Friday night.

Group A, U.C.W.A.

Met Last Tuesday

Group A of the United Church Women's association met Tuesday afternoon of last week at the home of Mrs. Telford, for their final group meeting of the year. A social afternoon was enjoyed.

Catholic Women's League Met Tuesday

The Catholic Women's League held their regular November meeting Tuesday of last week at the home of Mrs. W. J. O'Callaghan. Considerable business was taken up, under the direction of the president, Mrs. H. Messier. Chief discussion concerned plans for the Christmas celebration and for the opening of the new convent. A social hour followed the meeting, and Mrs. O'Callaghan served refreshments. The meeting was excellently attended.

BULGARIAN HONESTY

SOFIA.—Bulgarians are turning once more to the "God's loan," a simple method of lending money. Such a transaction involves neither promissory note, witnesses nor interest. The borrower promises to return, on a given date, a little more money than he received and in a very few instances does the borrower break faith.

Little Pen-O-Grams

-PLAYING PEEPING TOM IS DANGEROUS ANY TIME OF THE YEAR - BUT AROUND CHRISTMAS TIME IT'S ALMOST FATAL!!

Coming Events

Women's Auxiliary

The Women's Auxiliary of the St. Thomas Anglican church will meet Wednesday evening (tonight) at 8 o'clock at the home of Mrs. C. T. Lally.

A.Y.P.A.

*** The A.Y.P.A. will hold a whist drive and dance and country store night Friday, Dec. 9. Good prizes, good eats and good music! Masonic hall at 8 p.m. Admission will be 50 cents.

Women's Institute

The Women's Institute will meet Saturday afternoon at 2:30 at the home of Mrs. P. Kirkpatrick.

The meeting of the W.M.S. of the United Church will be held next Tuesday, Dec. 13.

Young People Had Devotional Service

The weekly meeting of the Young People's society of the United church Sunday evening was planned by the devotional committee, with Rev. W. H. Zook in charge. Talks were given by Bob Trewartha, Carl Tory and Wallace Prosser. A piano solo was played by Miss Lillian Bloom as the special musical number.

U.C.W.A. Met Tuesday Afternoon

The Woman's Association of the United Church met Tuesday afternoon for a business and social time at the home of Mrs. W. J. Huntingford.

Sydenham Says

By John Moore

A whist drive and dance was held in the Sydenham school on Friday, Dec. 2. The whist prizes went to Mrs. Harold Merrick for ladies high; Mr. Omer Croteau, men's high; Mrs. Goodkey, ladies second; Iva Killy, men's second. A cushion was raffled and Edwin Stadshaug held the lucky ticket. A record crowd was in attendance, there being 16 tables of whist. The next whist drive and dance will be held Dec. 16.

We are glad to learn that Jean Dixon is out of the hospital and is feeling much better.

The Sydenham Christmas tree and concert will be held in the school on Dec. 22nd.

We are sorry to learn that Sandy Miller is not much better and is still in the hospital.

Up to the present the pupils of Sydenham school have not experienced the "itch" prevalent in some vicinities. There is still hope.

Mrs. MacDermid of Swan River, Manitoba, visited Mrs. C. Alexander last week. Mrs. MacDermid is returning home from Vancouver, B.C.

ALBERTA WHEAT

POOL'S YEAR RECORD

Alberta Wheat Pool reports the following record for fiscal year ending July 15, 1932:

Showed net operating earnings from elevator system of \$1,123,282.40. Appropriated \$524,652.04 for depreciation.

Appropriated \$222,891.73 for payment of interest to Alberta government of bonded guarantee.

Transferred net earnings of \$375,738.63 to reserves.

Paid \$250,000 on Pool Terminals No. 1, Vancouver.

Paid \$210,856.42 to growers as balance due on 1928 fiscal payment.

Improved current liquid position from \$2,704,344.19 to \$3,261,111.13, showing an increase of \$556,766.94.

Handled 41,591,781 bushels of grain through Alberta Pool elevators, as compared with 36,532,841 bushels handled during previous year.

Organized sales department and operated entire organization, including this new department, at a lower cost than the previous year.

While harvest was in progress, changed over from a pooling to an optional system of grain handling.

Maintained 439 country elevators and 4 terminals in first class physical condition.

In face of disorganization and public criticism, retained the confidence and support of a great majority of Alberta Pool members.

Obtained a considerable volume of grain handling from growers who had never belonged to the Alberta Pool.

Rosedale Reports

By Mrs. Howard Gilbert

The United Church service is held every two weeks at Rosedale Hall, Rev. W. Bainbridge, of Edgerton, pastor. Service at 2:30 p.m., Sunday School at 3:30 p.m.

Mr. W. F. Redmond spent a few days in Edmonton this week. Miss M. Nichols motored to Irma Friday evening to spend the weekend with friends there.

The weekly Bible Study class was held at the home of Mrs. J. S. Grangin Thursday evening with a good crowd in attendance. Next week's meeting will be at the home of Mrs. C. G. Moore.

A meeting of the Saddle Hill branch of the Junior Red Cross was held Friday and the young folks made plans to send a parcel of toys and other articles to "Sunshine" at Edmonton.

Preparations are in full swing at Saddle Hill school for the Christmas concert. The date set for the same is Friday evening, Dec. 23rd.

Quite a good crowd attended the lantern slides shown in Sligo school Friday evening. Rev. Mr. Wilson of Edgerton was in charge. The children greatly enjoyed "Rip Van Winkle" and the views of the Rockies were enjoyed by all.

Greenshield News

By Miss L. Morrison

Greenshields United Church Service, (Rev. Huston, Minister)—Services held in Greenshields School house, as follows: Sunday School at 2:30 p.m., followed by preaching at 3:30 p.m.

Quite a number of our neighbors are confined to their homes with the "flu." We wish them better.

Last week Archie McDougall injured an ankle when riding on icy roads, but is improving now.

Don't forget the big school dance to be held in the hall Friday, Dec. 9th, proceeds for the Christmas fund.

HI-SCHOOL HI-LIGHTS

It's a great life!

Psalm of Life
Lives of great men all remind us
We can make our lives sublime,
If we have the cash to start with,
Brains enough, and lots of time.

Miss Cain in History class (day after the card party): "What was Frederick II like?"

June (coming to): "The War of the Spanish Succession."

The school dance which was to have been held last Friday was postponed. No further date has been decided upon.

Awful Moments:
—When you are called on for a speech in Composition.
—When you first glance at your report card.
—When you don't wake up till the first bell goes.
—When you see your name on the detention list.

Examinations
What makes your face now pale and thin?
What makes you lose your double chin?
What causes level heads to spin,
Creates in tranquil minds a din?

Examinations!
What gives your brow those lines of care?
What takes the curl out of your hair?
What makes your spirits say beware,
Your knees shake, your eyes stare?

Examinations!
Ah! Woe to me, I long to see
This pleasant land where there will be
A time when everyone is free
From those dire things that worry me.

Examinations!
—When school children are asked to bring all their old toys to the Scout Toy Shop, Snyder block, any Saturday afternoon from now until Christmas.

—When Miss Secord is choosing pupils

Hope Valley Notes

By Mrs. W. H. Roach

Older School Honor Roll for November: Alex. Treflak 82, Mary Benda 82, Alfred Pugh 81, Leon Roach 79, John Hojeska 78, Alex. Berdoff 78, Billy Tomek 76, N. H. Armstrong, Prin.

The family of Mrs. A. J. Taylor gave her a very pleasant surprise when they gathered to celebrate her birthday of November 29th. The event took place on Monday evening, the 30th, and big folks and little tots report the very best of times. We join in wishing Mrs. Taylor many happy returns.

Johnnie Hojeska met with a painful accident, which necessitated his being taken to the hospital in Wainwright. He was riding his horse when it lost its footing, falling and breaking Johnnie's leg just below the knee. His mother heard his cries for help, and went to his assistance, finally managing to get him to the house. Fortunately Mr. Hojeska had just arrived from Edmonton, and was able to assist in getting his son cared for.

The Hope Valley Sports Club held a business meeting at the school on Saturday evening. Among other items of business, it was decided to carry forward plans for the presentation of a play later in the winter. Another meeting will be held on the 17th inst. at the school, when it is hoped that material will have arrived from the University Extension department. All interested are cordially invited to be present.

Messrs. Fred and William Druze left on Friday morning for their new farm near Kitchicow with their threshing outfit and other machinery. The former is expected to return in a few days, while the latter will remain in charge until moving operations are completed. We will miss Bill's smiling face in the valley.

The Sports Club held the first of their series of Bridge parties on Friday evening at Oles school. A decidedly pleasant evening was spent. At the close of this series, prizes will be awarded to those holding the highest scores.

We understand that our Christmas concert will be held on the evening of the 22nd. It promises to be a grand fete with Mr. Armstrong in charge, and Dick Litchfield at the organ.

Mr. John L. Pugh has had a radio installed in his home. Our post office dog not being able to bark loud enough, a pup has been added to the collection. His name is "Spot".

LETTERS to the EDITOR

Editors Note: We accept no responsibility whatsoever for views expressed under this heading.

Wainwright, Alberta
December 3, 1932.

Dear Sir,

I was surprised to read in your paper that Wainwright was not to have a senior hockey team this winter. I am sure that the town people who appreciate good clean interesting sport such as has been given them by former Wainwright teams, will not be pleased with the absence of this sport this winter. Last winter the games between the High School team and the Senior team provided good entertainment as well as competitive sport for the players without going to other towns. There are enough hockey players in town to make three good teams. It only needs some wide-awake citizens to organize these players into a town league. The players are anxious to play, the town should have a team, we have the rink, so let's have a town league. Let everybody play that wants to play, let everyone get behind one team at least and let's have some real winter sport. Wainwright is a live business town but it falls down when it comes to sport. I would suggest that everyone who wants to play hockey and who wants hockey played in the Wainwright rink this winter meet at the skating rink this Friday at eight o'clock and get organized for the sport. Let's go for a hockey team.

Thanks for your support.

Wainwright Sports Booster.

REDUCING FREIGHT ON GRAIN SHOW EXHIBITS

For the purpose of encouraging educational exhibits and entries in the competitive classes for the World's Grain Show in Regina next year a reduction of 25 per cent upon exhibit material to and from Regina has been made by the Canadian-Australasian Steamship line.

Edgerton Ripples

By Rev. W. Bainbridge

Edgerton United Church Service—(Rev. W. Bainbridge, Minister).—Services for Sunday, Dec. 11th, are as follows: 11:15 a.m., Rosemary Schoolhouse; 3:00 p.m., McCafferty; 7:30 p.m., Edgerton.

Born to Mr. and Mrs. Dud Sawyer on Tuesday November 29th, a daughter.

Miss Marjorie Walworth was thrown from a "rig" last Monday evening and broke her elbow bones. We trust that Marjorie will soon be back again in her place at school.

A merry group of young women gathered at the home of Mrs. Harvey Challenger last Monday evening. Rev. W. Bainbridge gave an instructive talk on "Manners." This was followed by an interesting story told by Miss Peck about her trip to Europe with the United Church Young People's tour. Refreshments were served by the hostess and everybody voted it a very successful evening.

The Ribstone Y.P.S. play "Deacon Dubbs" was very well received by a large audience in the Pawsey hall last Friday evening. The Edgerton United Church choir wish to thank all who helped to make this event so successful. The visiting cast were entertained at the manse after the play.

The Bloomington Y.P.S. had a very happy meeting last Tuesday evening. The audience were taken by means of lantern slides from Calgary to Vancouver over the C.P.R. route. The mountain scenes were very pretty, and everybody went home determined as soon as possible to take this trip.

Heath Breezes

By W. N. L'Heureux

Mr. George Johnston left on Saturday's train on his way to Scotland, where he was called by a cablegram earlier in the week.

McLeod's store has just received a large shipment of toys.

Mr. and Mrs. Bert Williamson of Fabyan were week-end visitors in the home of Mrs. Williamson's mother, Mrs. C. Messier.

Following are the elevator prices for the past week as supplied by the Bawlf elevator:

Day	1 Nor. Wheat	2 cw. oats
Wednesday	27c	10c
Thursday	27½c	10½c
Friday	27c	10½c
Saturday	27c	11c
Monday	28c	11½c

THE FLU

There was a little germ called Flu That made you ache all through and through, He smote your nose and made you sneeze, Then scraped your tubes and made you wheeze, He gave you plenty aches and pains, The sweat poured out like Autumn rains, The shivers played along your back, You thought your poor old head would crack, The Doctor came and thus he said, "At once, right now you go to bed, Hot bottles at your feet you'll place, Cold towels on your head and face, Drink fluids cold or fluids hot, And stay in bed; don't leave the spot, Until your fever stays at norm At least three days: Keep good and warm."

"This germ," said he, "is very sly, He's hard to find and very sly, He hides in towel and spoon and cup, Gets on your hands before you sup, Don't cough in any person's face, Don't spit unless in proper place, Don't sneeze without a hanky near And you'll not spread the Flu, My Dear."

"Your tongue can undo everything you do."—B. C. Forbes.

Clear Lake Waves

By Mrs. W. J. Bartlett

The Arm Lake school concert is to be held Wednesday, Dec. 21. The concert will be followed by a dance and an admission of 25 cents will be charged.

Clear Lake is again free of snow and has an excellent surface for the ice boat which has been launched on it by Mr. Fred Mockford. His boat carries a ten foot sail and with the assistance of a little wind it makes great progress across the lake.

Miss Jean Bouchier has commenced her annual shipment of turkeys for the Christmas season.

Mrs. Smith of the Smith ranch is confined to her bed by illness and is unable to get around at all.

Christmas Dishes

By Betty Barclay

Although the main Christmas dinner dishes seldom vary, modern cooks constantly seek surprise recipes so that this dinner of dinners will have a novelty or two. Follow one or more of the suggestions given below and see how pleased your family and guests will be:

Have you made a holiday supply of candied orange and lemon peel? This candied peel is an inexpensive confection which uses citrus fruit rinds that would otherwise be discarded. It is a delicious accompaniment for tea or similar service at any time of the year but it is especially useful now, since it may be used to lend flavor to fruit cakes, plum puddings, Christmas cakes and cookies of all kinds. Strips of the candied peel may be used to decorate Christmas cookies. The candied peel is also a delightful addition to Christmas gift boxes and baskets.

Candied Orange or Lemon Peel
Remove peel from 3 oranges (or 4 lemons) in quarters. (The meat of the fruit is, of course, used for fruit cups, salads, desserts and beverages which are especially needed to balance the heartier type of foods served at this season of the year.)

Cover peel with water to which 1 teaspoon salt has been added. Boil 30 minutes. Drain. Boil in fresh water until tender, about 1/2 hour longer. Drain. Bring 1 cup sugar and 1/2 cup water to boil. Add peel. Boil gently until syrup is nearly absorbed. Drain. Roll in sugar. Cut with scissors into strips for serving or into tiny bits for cooking purposes.

For variation roll peel in colored sugar. Or tint peel with red or green vegetable coloring added to syrup in final boiling. A little cinnamon, clove or ginger may be added to syrup to vary flavor. Add as whole spices tied in cloth, to prevent darkening in the color of the peel. Another variation is to coat the strips of candied peel with melted dipping chocolate.

4 tablespoons quick-cooking tapioca
1/2 teaspoon salt
1 1/2 cups hot turkey or chicken stock
2 cups cooked turkey, finely chopped
1 egg, beaten with 3 tablespoons milk or stock, and 1/2 teaspoon salt
Sifted bread crumbs
Add quick-cooking tapioca and salt to stock, and cook in double boiler 15 minutes, or until tapioca is clear and mixture thickened, stirring frequently. Add turkey and cook 5 minutes longer. Chill. Shape into cones. Dip in egg, roll in crumbs, and fry in deep fat (350 degrees F.) 1 minute, or until golden brown. Drain. Serve with tart red jelly. Garnish with parsley. Makes 10 to 12 croquettes.

Christmas Relish (Salad or Relish)
6 whole cloves
1 pint boiling water
1 package lemon-flavored gelatin
1/4 teaspoon salt
1/4 cup vinegar from sweet pickles
12 maraschino cherries, sliced
6 sweet pickles, sliced
Boil cloves in water 3 minutes. Strain. Dissolve gelatin in 1 1/2 cups

of this liquid. Add salt and vinegar. Chill. When slightly thickened, fold in cherries and pickles. Turn into individual molds, filling them 3/4 full. Chill until firm. Unmold. Serve with fowl or ham. Makes 12 half molds.

Holiday Fruit Pudding
1/2 pound prunes
1 inch stick cinnamon
6 whole cloves
1 package quick setting gelatin, dessert (lemon flavor)
1 cup hot prune juice
1/4 to 1/2 cup brown sugar
3/4 cup orange juice
2 tablespoons lemon juice
1/4 cup sliced raisins
1/4 cup seeded raisins
1/4 cup sliced citron
1/4 cup sliced almonds

Soak prunes in enough water to cover. Add cinnamon and cloves and cook slowly in same water until soft. Remove pits and chop prunes. Measure 1 cup prune juice, heat to boiling.

Dissolve quick-setting gelatin in prune juice. Add sugar and orange and lemon juice. Chill until mixture begins to thicken, then add chopped prunes and remaining ingredients. Chill in pudding mold until firm. Serve with ice cream sauce, flavored with grated orange rind. Serves 8 to 10.

Fairy Sponge Cake
1 1/2 cups sugar
2 tablespoons corn syrup
6 tablespoons orange juice
6 eggs
1 teaspoon grated orange rind
1 cup flour

Beat first three ingredients to short thread (240 to 242 degrees F.). Beat egg whites until stiff but not dry. Continue beating while pouring hot syrup over the whites. Fold in well beaten ylls., grated rind and lastly the flour. Bake in an ungreased tube pan 45 minutes to 1 hour in a slow oven (300 to 325 degrees F.). Frost with boiled orange icing. Store in airtight cake tin.

LUNCHEON DISHES
Try a savory meat loaf or a platter of baked oysters for the luncheon main dish. Your guests will be delighted if the following recipes are followed when preparing these dainties:

Savory Meat Loaf
2 thin 2-inch slices salt pork, diced
2 pounds round beef, ground
1/2 cup quick-cooking tapioca
1/2 small onion finely chopped
2 cups canned tomatoes
2 1/2 teaspoons salt
1/4 teaspoon pepper

Fry out salt pork until golden brown. Add pork and drippings to other ingredients and mix thoroughly. Bake in loaf pan, 7 x 5 x 3 inches, in hot oven (450 degrees F.) 15 minutes; then decrease heat to moderate (350 degrees F.) and bake 30 minutes longer. Serve hot or cold. Garnish with parsley. Serves 10.

Baked Oysters
1 1/2 cups milk
3 tablespoons quick-cooking tapioca
1/4 teaspoon salt
Dash of pepper
1 cup oysters, cut in half
1 egg, slightly beaten
4 tablespoons cracker crumbs, buttered

Scald milk in greased casserole in hot oven (400 degrees F.) 15 minutes. Add quick-cooking tapioca, salt and pepper, and bake 15 minutes or until tapioca is clear, stirring every 5 minutes. Add oysters and egg. Cover with buttered crumbs. Bake 15 minutes longer, or until crumbs are browned. Serves 4.

Orange Ice Cream (Makes 2 quarts)
3 cups orange juice
1 cup sugar
1 cup thick cream
2 cups milk

Mix orange juice and sugar thoroughly. Add cream and milk and freeze.

How Does Your Label Read?

SUGAR BUSH LICENCES

While no fee is required for a sugar bush or orchard the Maple Products Industry Act requires that all owners of sugar bush or orchard obtain a license for their operations not later than the end of December in each year. A great many applications for licenses or renewals have already been received by the Dominion Fruit Branch, and the value of these to producers becoming better known is doing much to develop and expand the industry.

Smilin' Charlie Says

"Yes - Jonny is gettin' t' be a good boy - Tain't long 'till Christmas -"

CAN. NATIONAL RLWYS. WEEKLY NEWS ITEMS

A new role for Santa Claus has been suggested by the Canadian National Telegraphs. The telegraph people propose electrifying Santa and letting him flit along the wires to small children everywhere in Canada. The C.N.T. will undertake to deliver to children a thrilling message from Santa Claus on the day specified by the sender. Parents agree there are few reactions as definite and pleasant as that of a child receiving an honest-to-goodness telegram addressed to the child personally.

One extraordinary result of the recent tariff adjustment on rubber shoes in favor of Canada has been revealed at Port of Spain, Trinidad, B.W.I. A merchant of that town had a shipment of non-Canadian, non-British rubber shoes lying in customs there. Formerly the duty on the shipment would have been \$16.35, now the duty would be \$228.10. But the merchant has elected to pay the shippers only and to lose the merchandise, rather than pay the duty. Large quantities of Canadian-made footwear are enroute to the West Indies from Montreal and Halifax in Canadian National ships.

The largest shipment of canned salmon ever to arrive at Montreal by water was unloaded from the Canadian National freighter, Canadian Winner, which docked Nov. 16, from Vancouver, via the Panama Canal. The consignment consisted of some 56,000 cases of British Columbia salmon. In addition the Canadian Winner brought a heavy shipment of lumber from British Columbia ports.

At one time Canada imported its macaroni, spaghetti and vermicelli from Italy but now the Dominion has 14 factories producing these products. In 1931, the output was 20,131,425 pounds as compared with 16,819,825 pounds in 1930, according to the Industrial Department of the Canadian National Railways. With production, the exports also increase. These amounted to 1,149,934 pounds in 1931 as compared with 731,842 pounds in 1930. The factories are located as follows: British Columbia 4, Ontario, 4, Quebec 3, Manitoba 2, Alberta 1. The capital investment is \$1,847,708 and the value of the 1931 output was \$1,195,987.

Plowing through the blizzard that raged over the Eastern States and Canada, the Iron Horse landed its equine brothers of flesh and blood at the Royal Winter Fair a few hours before the first evening of the big show, in a breath-taking race with the storm. Presidential elections in the United States delayed the National Show in New York and necessitated a fast transfer of the favorite army teams. As the Express special train bearing the U.S. Canadian and Irish teams pulled up at the Exhibition siding, officials of railway and fair heaved a sigh of relief. The feat of getting the horses here on time was accomplished by closely-timed co-operation of the American and Canadian railroads who combined to defeat the worst storm of the year.

THE PERFUME TEST

Merchandising managers have definitely fixed that the sense of smell plays an important role in merchandising. A test was made by using a slight perfume on a stock of hose. The same hose was exhibited on a nearby shelf without having been treated. The perfumed stock moved twice as fast. Other merchandise was treated the same way. Strange to say, the feminine of the species were not alone in preference. Male customers responded in about the same percentages.

THE EXAMINER'S WEEKLY REVIEW OF PROV. MARKETS

CATTLE

BEER—Trading at Edmonton has been fair the past week. Prices show no change; quality indifferent. Choice heavy steers brought \$3@3.25; choice light \$3.50@4; good \$3@3.25; medium \$2.25@2.75; common \$1.50@2.25. Choice heifers sold at \$3.25@3.50 with good sorts \$2.75@3.25; Choice cows \$1.75@2; good \$1.50@1.75; medium \$1.25@1.50; common 75c@1; canners and cutters 50c@75c. Choice bulls sold at \$1@1.25; medium 75c@1; and canners from 50c up. Choice light calves brought \$3@3.50, and the common from \$1.50@2.50. **FEEDERS-STOCKERS**—There is a moderate demand here. Feeder steers bringing \$1.75@2.50; stock steers \$1.50@2.50; stock heifers \$1.50@2.50, and stock cows 75c@1.50.

HOGS

Edmonton prices steady; hogs bringing \$2.75; select \$3.25; butchers \$2.25, fed and watered basis.

SHEEP

No change in Edmonton quotations. Yearlings making \$2@3; ewes \$1@2, and lambs \$2@4.

GRAIN

Market appears to be marking time until some definite trend occurs in currency markets. Quotations fractionally lower for week. Trading has largely consisted of hedging pressure and spreading operations. Some export business worked through Vancouver.

CREAM—BUTTER—MILK

CREAM—Prices unchanged, with special 17c; first, 15c; second, 12c, at country points and centralizing plants. Some concerns report slight increase in supply, but others find little change. Production at low point for year. **CREAMERY BUTTER**—Demand not over-active in province, with lower grades of prints getting good call. Outside markets quoting unimproved prices. Few shipments going to Vancouver, but buying there is on hand-to-mouth basis. Prices steady; No. 1 cartons, 25c; No. 2, 23c; No. 1 prints, 24c; No. 2, 22c; No. 3, 19c. **DAIRY BUTTER**—Receipts very light as bulk of make being used in country. Good demand for fancy table; other offerings light. Prices unchanged; Fancy, table, 16c; No. 1, 9@11c; No. 2, 7@8c. **MILK**—Prices unchanged, with Edmonton quoting \$1.75, and Calgary \$1.50 per 100 lbs., basis 3.9c. Receipts light, but sufficient for requirements.

POULTRY—EGGS

POULTRY—Receipts of chicken and fowl light so far this week. Few turkeys, ducks and geese showing up. Fowl and chicken values down 1c. Turkeys, "A" grade, 9c; "B" 7c; "C" 5c, all weights. Market expecting movement of birds for Xmas trade to start this week-end. Country dressed chicken and fowl listed. Full range of prices on page 6.

EGGS—Receipts of fresh eggs very scarce. Good demand, and poultry farm operators marketing direct. Extras 24@35c; firsts, 22@32c; seconds 12@25c. Few B.C.'s on mart.

HAY—FEED OATS—GREENFEED

HAY—Country carlot shipping light, as buyers scarce. Prices steady after last week's drop. Upland \$7; timothy \$7@8, on track at country points. Calgary loose hay market finding good demand. Prices steady; Loose upland \$8; baled \$8@9 per ton, delivered. **FEED OATS**—Offerings show slight increase, but demand slow. Price unchanged at 15@18c a bushel delivered. **GREENFEED**—Good demand for all offerings; quality A1. Price steady at \$6 a ton, delivered.

There IS Relief from RHEUMATISM

In this day, no man or woman need suffer with rheumatic pain. It's as easy to get rid of as a headache. Aspirin disposes of such pain like magic. Two tablets with a swallow of water relieves any mild attack. If any pain is left, repeat every two hours until the last twinge is driven from the system. Never hesitate to take Aspirin. It is not a narcotic. It won't upset the stomach. It can't depress the heart. It may be taken day after day, without the slightest harm. So, don't dread the winter because of rheumatism, neuritis, lumbago or constant colds. Aspirin will give you complete relief.

Buffalo Slaughter Gives Scene Of Activity In Wain. National Park

(Continued From Last Week)

On account of the few navigable waters within its borders, it is not really easily accessible to hunters and trappers. A recent aerial survey by the Canadian Government shows the country between the Peace River and the northern boundary of Alberta, some sixty miles to the north, to be full of small lakes and ponds and large and open marshes interspersed with low, wooded hills. Near

Fort Smith, which lies just within the North-West Territories on the west bank of the Slave river, there are salt plains and saline springs. Further north, towards the Great Slave Lake, the country is, more or less, of the same low relief, more densely wooded and containing larger lakes. To the west, as we have noted, the Caribou Hills form an unpassable barrier, while, to the south, across the Peace River, a heavily wooded country rises slowly to the Birch Mountains which contain little pasture and towards the south side of which the frontier settlements are slowly creeping. To the east, across the Slave River, lies a desolate, forest-clad and rocky region of the pre-cambrian formation, into which, probably, the buffalo have at no time penetrated.

Into this great natural sanctuary, then, some 17,000 square miles of which have now been set aside as the Wood Buffalo Park, the Canadian Government sends many surplus animals from the south.

At the time of the first shipment from the south, there may have been a thousand wild buffalo somewhere within this area. These animals, from their long residence in this wooded and yet suitable district, had just as it is recorded of the herds that once roamed the forests of Pennsylvania and the eastern States, assumed a darker and shaggier appearance. Little was known of them but this fact of their shaggier appearance and perhaps larger size, and few, indeed, were the White Men who had seen them.

It is on record that about a century ago the herds in this northern country had lost thousands of their numbers by an extraordinary snow-fall, but just how many there were when the Government first made this reserve is really unknown. Now, so the Rangers report, the animals are thriving and, including the six thousand six hundred odd that have been shipped from the south, there are some ten thousand buffalo in this park.

When the Crees and other tribes from the Great Plains were repulsed by the Yellowknives and Chipewyans or the north on the banks of the Peace River near Peace Point, within the present confines of the Wood Buffalo Park, so many years ago that the very date is lost in the mists of the past, he would have been a hardy prophet indeed amongst them who could have foreseen that the land from which they were repulsed would eventually support practically all that was left of those vast herds which to them seemed indestructible.

The sun was sinking behind the rolling, treeless prairies. The waters of a lake, swept by the wind, broke with a low murmur upon a sandy beach. In all directions the virgin prairie was indented by deep grooves, as though a mighty ploughman, in the dim past, had directed his great plough aimlessly across the plains.

A little lad, wandering with his father along the beach, noticed with wonder the enormous, overgrown furrows.

"Say, Dad," said he, "what made all these long dents in the prairie—I thought that we were the first settlers in these parts?"

The father looked down at the eager lad.

"These are the trails of the buffalo my boy, that were once in possession of the land."

Phone is your local news.

SCOTTISH CO-OPERATIVE WILL OCCUPY SPACE AT GRAIN SHOW

The Scottish Co-operative Wholesale Society with headquarters at Glasgow, Scotland, through its Canadian representative, J. B. Fisher, of Winnipeg, has applied for space of 300 square feet in the commercial section of the World's Grain Show building. Commercial space available is being taken up very quickly.

DISAPPROVES OF RADIO ADVERTISING

Recently a reply was received by the Association of New Zealand Advertisers from the Postmaster-General relative to the matter of advertising over the air. In the course of his letter the Minister states:

"There is no reason to doubt that public opinion in general is definitely against broadcasting as a means of commercial publicity and steps are being taken to have the provisions of the radio regulations in this respect more closely observed. It is not the Government's intention to interfere with the operations of private broadcasting stations, but as a matter of general public policy the use of such stations as mediums for advertising cannot be approved."

For 24 years Black Diamond has been the leading coal in Wainwright. Today it is better screened, better mined and sells for less money than ever. When you buy Black Diamond at \$6.50 a ton you are getting the best. Sold by Atlas Lumber Yard.

A Ramble Round Town

While we were ambling cheerfully around town the other day and stopping to visit and loaf with the merchants, we saw lots of things that thought might interest you folks.

First we went into The Wainwright Studio and Gift Shop. While talking with Mr. Carsell I let my eyes roam around and, folks you wouldn't believe it, but they have some of the nicest little things that would do for Christmas gifts. They have some little gadgets that look like they were made of silver. Don't know what they were, but I could use them as an ash tray. Then they have some well dinner sets. I asked him the prices of those gadgets and the dishes and nearly laughed at the low price, but he said that that was what he was asking.

Then we went into Patterson's Store and got to joshing him about his high prices. But Did I get taken down? I ask you! Listen, that guy has some of the sweetest gifts in that store that I have ever seen. He's got Sox, Shirts and Ties for men. Then he has Dresses and er—ahem other women's wearing apparel that Santa would be proud to leave at your house Christmas Eve. Take my advice and go in and take a look before you make out your Christmas Shopping List. And the prices? Why he's nearly giving them away.

From there our aimless wanderings took us into W. E. Washburn's Hardware Store. And did we get an eye-ful? That fellow has everything from Sleds for the boys to Electric Toasters and Irons for the women. And men, I wouldn't be surprised if he even had a rolling pin or two hidden away for the wife to hand you for a nice Christmas present. I asked him the prices of the electric goods and decided it was no wonder he was so popular. The prices fit the present day pocketbook. Take a look, it will be worth your while.

The next place we went was to J. C. McLeod and Son's Furniture store, and the first thing that smacked us in the eye was a mappy layout of toys for the kids. That ought to solve your problem for what to give the youngster. We got to looking around still more, and found some nifty smoking sets that might do for the head of the house. And this is another store that has its prices down to fit the nearly empty pocketbook.

Then we ambled serenely on our way and landed in Armstrong's, Ltd., and what an array met our eyes. They have everything for the man: Hats, Caps, Shirts, Ties, Sox, Underwear, Suits, Sport Jackets, etc., and for the boy they have everything that Dad has, and then some. For the women, they have on display: Hosiery, Dresses, Scarfs, Jewelry, and oh heck, how is a man supposed to know the names of all the things a woman has and wants. All I can say is that they are pretty, and I

know that their prices are right.

The Wainwright Pharmacy had the honor of our presence next. What a display they have. Candies, Jewelry, Toilet Articles, Radios and lots of other things that would interest you when you are looking for something to give for Christmas. In this place you can find all kinds of beautiful Knick-knacks that will be just what you were looking for for that friend. And the nice thing about it is these things don't cost much.

After lunch we went up to see what Hannah's Hardware had. And they have plenty. Hockey Sticks, Sleds, Skates, Skis, Dishes, Glassware, and almost everything you can think of. And it's all keen stuff. You might save yourself some hard earned money if you went in there and looked over what he has. At least it would pay to see, and ask him the price on a few things, you'll find that you can buy at almost unheard of prices.

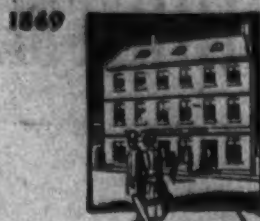

Now our course of wandering took us to W. S. Clark's Gents' Furnishings Store. And the array of values that greeted us almost staggered us. We saw Shirts, Ties, Sox, Scarfs, Belts, Braces and some of the nicest Sport Jackets that I have ever seen. And he has knocked the props out of his prices, so that you can afford to buy almost anything in the line of men's clothes to give the man or boy for Christmas.

We went into A. Sawers place next to see what he was offering for the Christmas trade, and I was surprised to find all the values he had. If it's clothing you want to give for Christmas, you can certainly get a bargain there. They have clothes and accessories for the woman and girl, and ditto for the man and boy. Mr. Sawers would surely appreciate your coming in and looking over his line.

M. Cork is offering this year, the best and most complete line of Jewelry that he has ever had in his store, and at prices that would fit everyone's pocketbook. He has Pen and Pencil Sets that would make you want them, and the Rings and Jewelry are absolutely the latest thing. Then he has Compacts and other things for the woman and girl that would make them love you for life if you would give them one for Christmas.

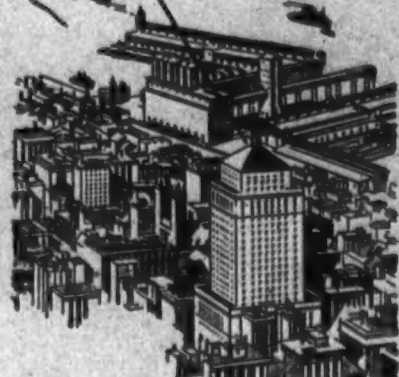

We then hit for the Standard Pharmacy and had Alex Adams show us some of the stuff he had for Christmas trade. If he had shown us all, it would have taken him all day, but here are some of the things: French Ivory, Perfume, Boxed Chocolates, Cedar Chests, Toilet Sets, Bath Salts, Ladies Hand Bags, Bridge Sets, Books, Dolls, Games, Playing Cards, Cigars and Cigarettes, Pipes, Bill Folds and Rolls Razors. We asked him the prices and just got to pass it along that they are right.

In One Direction for over 60 years

The record of Canada is like the course of a mighty river—interrupted at times by twists and turns of difficulty, but making across the map of the last 60 years a line of progress so strong and sure that its direction is unmistakable.

The Royal Bank of Canada is typical of this progress. Starting as a small local bank in Halifax, it has moved steadily forward through booms and depressions since 1869. With 881 branch offices, it is today one of the great banking institutions of the world.

ALL THE NEWS FROM THE TOWN AND DISTRICT

Little Annie Wiley has been suffering from tonsillitis this week.

Mr. D. W. Beaulieu, who has been in the east for some time, arrived here last week. He will soon start casing his well at the Santos farm at Fabian.

Mrs. J. H. Clifton spent the week-end in Edmonton visiting friends.

Jack Jardine of Ribstone is a patient in the Wainwright municipal hospital for treatment of his thumb, injured severely Dec. 2 while he was sawing wood.

Harry Thwaites went to Edmonton over the week-end.

The Montreal Alberta has now been changed from a rotary to a standard drill and will be in a better position to deepen their well.

*** The War Debts payments are under discussion. There will be no discussion if you have a fire loss and are insured by Jos. Welch. You will be paid promptly.

Mrs. E. R. Frickleton had as a guest over the week-end, Mrs. George McConnell from Auburn, Nebraska, U.S.A. She is spending the winter with relatives in Tofield, Alta.

Mr. James Costello of Auburndale has been a patient at the Wainwright hospital for the past two weeks. Mr. Costello is making arrangements to move to Wainwright for the winter months.

School Inspector Good was an Edmonton visitor several days last week.

Mr. and Mrs. F. C. Dickins were confined to their home a few days last week with a light attack of flu. They are feeling much better now.

Read through all the advertisements this week. Our merchants are making offerings which should prove truly attractive to buyers; and there are several new merchants talking to the readers this week too!

Order your Christmas cards now from The Star.

Mr. J. Johnston of the Alliance Times was in town last week-end.

The cold snap and high winds of last week make one wonder whether the little old fire insurance policy is still covering the risk.

Mr. Ben Karman has purchased some property on First Avenue, formerly owned by Mr. Tanner of Edmonton.

The convent is now nearing completion and the sisters hope to be able to move into their new home this week-end. The official opening will be held next week, when Archbishop O'Leary will be present.

Mrs. J. Tolmie and son Roy were in Edmonton for a few days last week.

Mr. Melkjohn of the Edalta Oil was in Provost on business connected with his well last week.

Gordon Matthews of Auburndale was a patient in the Wainwright municipal hospital for a few days last week but recovered rapidly and was able to leave the hospital last week-end. His eye was injured by a piece of steel.

*** Free, to the first 25 customers settling their outstanding account of \$15 or more, with us, we will give a beautiful 23-piece Tea set. Washburn's Hardware.

Mrs. G. Middlemass was an Edmonton visitor from Friday to Monday, visiting her daughter Josephine, a student at the University of Alberta.

Mr. George Hipperson, cattle buyer from Irma, was shipping cattle from this district last week.

Mr. and Mrs. E. E. Tory motored to Edmonton last week, returning the same day.

*** Don't forget that the Progress Lumber company has just the Christmas tree you want!

Order your Christmas cards now from The Star.

Although it is admitted that a dollar bill will go farther than it used to it also goes much faster.

Word was received here last week.

Of the serious illness of Mrs. M. Brunker, whose home is in Saskatoon. Her sons, William and Harold, drove down to spend the week-end with their mother.

Mr. J. G. Leroux and her sons Roger and George were visitors to Edmonton for a day last week.

*** Bill Stuart will be shipping hogs next Tuesday, Dec. 13. Let him know your number.

Mr. and Mrs. H. Hornsby were week-end visitors in the city.

*** What Christmas present would bring more lasting comfort to your family than storm windows and combination storm and screen doors? The Atlas Lumber yard has on hand a large supply which are selling at special reduced prices.

When you plan for that whist party, remember that we have tally cards for progressive and court whist on hand at The Star office.

Mr. and Mrs. Richard Headon of Fabian spent a few days in Edmonton last week. They are preparing for a visit to England this winter.

Mr. Watler Olsen recently purchased a quarter section of C.P.R. land at Gilt Edge from the local agency.

Mrs. Fish Sr. returned to her home at Runsey last week after several weeks visit here with her son, Frank Fish, and family.

Order your Christmas cards now from The Star.

Chinook weather last week made colds prevalent in the district.

The St. Andrews Presbyterian church concert and Christmas tree will be held Friday, Dec. 23, at 8 p.m.

*** The Chauvin-Edgerton Live Stock shipping association is shipping a carload of hogs and cattle from Wainwright Dec. 9.

Mr. and Mrs. J. A. Hakkirk were over from Paradise Valley last week-end visiting their parents.

Mr. E. R. Frickleton went to Edmonton recently and is to be operated on this week-end at Edmonton. Mrs. Frickleton is leaving Wednesday to be with him.

Order your Christmas cards now from The Star.

Miss B. Taylor spent the week-end with her parents at Rosemoyn.

According to motorists using the new highway to the city, work has closed down for the winter and the equipment is stored at Kinsella. The new road from Irma to Viking has been all made but is still somewhat rough for autos, although it is being used freely.

*** To the first 25 customers paying their outstanding account amounting to \$15 or more, we will give free a beautiful 23-piece Tea set. Washburn's Hardware.

The past week has provided quite a variety of weather, with emphasis on the word variety. For a few days last week the chinook gave us running water on the streets, but with the thermometer dropping from 50 degrees to nearly zero in Thursday's blizzard the ever-present ice made traffic somewhat precarious. Numerous Wainwright citizens are nursing black and blue spots after that day. The variety went quite a lot further by Tuesday, with the thermometer dropping steadily and the wind getting stronger—Tuesday morning temperature was reported as 25 below, which makes it the coldest mark this winter.

Mrs. J. Patterson was ill Sunday but was considerably better Monday.

*** We will give a beautiful 23-piece Tea set to the first 25 customers settling their outstanding account of \$15 or more. Washburn's Hardware.

*** Reserve this date—Thursday Dec. 15—for the Christmas Charity Dance at Masonic hall. 11:30-3:30

Mrs. M. Greer was on the sick list Monday.

A special corporate communion was held last Wednesday at the St. Thomas Anglican church.

Owing to a slight outbreak of a catching disease at the school, Dr. Middlemass, M.H.O., gave all the kiddies the "once-over" last week with the result that a number were ordered home for observation.

*** We are off the gold standard. We have sold several carloads of lumber this fall at prices farmer could afford to pay, even at present prices of farm produce and are unloading more lumber. There will never be a chance to repair your buildings as cheaply as at present. Atlas Lumber Co., Ltd., J. Welch.

Miss Olive Wheeler spent several days in Edmonton over the week-end.

Canadian exhibitors took no less than 27 of the prizes at the Chicago Hay and Grain fair recently, and no less than 30 (including several championships) came to Alberta.

Sandy Miller, who has been quite ill at the Wainwright hospital for some time, remains in about the same condition.

Order your Christmas cards now from The Star.

The pupils of St. Joseph's convent in Wainwright will present their annual concert Tuesday, Dec. 20, at 8 p.m., in the Elite theatre.

The Christmas program at the United church will be held Friday, Dec. 16, according to plans announced this week.

PAGE DIOGENES

EL PASO, Tex.—Page Diogenes. An honest man has been found! He is Hurter Von Mert, a tourist from Germany who recently stopped at a hotel here. He went back to Germany without returning his room key. Recently the hotel manager received the key by mail. Although the key had "Drop into any mail box. We guarantee postage," on it, Mert had paid his own postage on the key.

PEST COMPETITION

RESULTS REPORTED

Results of the annual competition for the destruction of agricultural pests in the province have just been announced by the provincial game branch at Edmonton. The total number of crows and magpies destroyed was 43,614, of gophers 621,786 and of crows and magpies' eggs 152,773. School children destroyed 33,405 crows and magpies; 465,223 gophers and 122,925 eggs. Adults destroyed 10,209 crows and magpies; 156,553 gophers and 29,848 eggs.

Winners in Competition No. 1, open to gun clubs, game protective associations and other organizations, were as follows: 1st prize \$200—Lloy, George municipality, 19,399 points. 2nd prize \$150—Hanna Fish and Game Association, Hanna. 3rd prize \$100—Cardston Game Protective Association, Cardston.

No. 2 Competition for individuals—1st Frank Pilling, Cardston; 2nd—Jos. Low, Cardston; 3rd—W. C. Cadman, Calgary; 4th—Oscar Shoening, Wetaskiwin.

No. 3 Competition for schools—1st—Fairview S.D., Holden; 2nd—Elnora Consolidated School, Elnora; 3rd—Elmspring S.D., Warner; 4th—Sherburne S.D., Purple Springs; 5th—Harris Ranch S.D., Woodford.

No. 4 Competition for school children—1st, Norman Brewin, Purple Springs; 2nd, Leo Hart, Purple Springs; 3rd, Kenneth Veno, Burfield; 4th, Joe Marke, Kopernick; 5th to 8th, Geo. Appleyard, Carbon; John Walden, Woodford; Irving Standish, Midnapore and Herbert Hansen, Wetaskiwin.

Growth of the competitions and their effectiveness in killing off these pests, is indicated by the figures since 1924. In that year the total number of crows and magpies killed was 44,652 compared with this year's total of over 43,000 and last year's total of over 63,000. The total of gophers in 1924 was 220,000 compared with 621,000 this year. The high year for crows and magpies was in 1930 with 66,319, and for gophers was last year with over 836,000.

AIR RACES LOSS

CLEVELAND.—According to officials, the 1932 National air races recently held here operated at a loss of more than \$17,000. This loss makes it problematical whether the races will be held here again in 1933. It is thought that possibly Chicago with its World's fair attraction, will sponsor the races next year.
